Note:

- Only like-for-like license type transfers may be executed at no cost
- Only products with current maintenance (AGI Support and Upgrade) may be transferred.
Software licenses not covered under Maintenance will be assessed a software transfer fee when transferred.
- Upon approval, AGI will provide updated license files with the appropriate licenses.
- AGI maintenance records will be updated to reflect the transfer in coverage.

Customer agrees to delete the original software license file and return Part II of this Form within two (2) business days of receipt of licenses.

Customer Signature: _____ Date: _____

Part II – Customer Agreement and Certification
 (Customer to return to AGI upon Transfer, not-to-exceed two [2] business days)

Customer ID Number: _____

The undersigned, on behalf of the Customer, agree and certify that in transferring the AGI Software as described in Part 1 above, all previously supplied licenses have been destroyed and that, for each License purchased, the software shall be used only on one(1) single computer at any given time. Furthermore, the undersigned, on behalf of Customer, shall continue to comply with the applicable Software License Agreement terms.

The individual executing this agreement certifies that he/she has the requisite authority to do so.
